Representing	North Shore NB #27
Submitted	Aug 19, 2025 @ 08:52 AM

Testimony

Aloha - The North Shore has been subject to catastrophic flooding over many years, the last major flood in 2020 nearly took out a bridge and closed Waialua Beach Rd by the elementary school for about 7 months. Having monitoring will help the community better prepare and evacuate. Mahalo, Kathleen M. Pahinui Chair, North Shore NB #27
