SECTION 2. Chapter 12, Revised Ordinances of Honolulu 2021 ("Animals and Fowls"), is amended by adding a new article to be appropriately designated by the Revisor of Ordinances and to read as follows:

"ARTICLE __: FARM ANIMAL CONTROL CONTRACTOR

§ 12-__.1 Definitions.

For the purposes of this article, the following definitions apply unless the context clearly indicates or requires a different meaning.

Estray. Any horse, mule, ass, sheep, goat, or cattle that is found at large, and not upon the land of the owner or person having charge of such animal, or found doing damage to property.

Farm Animal Control Contractor. The individual, partnership, corporation, or other legal entity contracted by the city for the capture, removal, safekeeping, and reasonable care of any estray, which includes but is not limited to impounding and transporting estrays to a pound or back to the animal's owner.

The farm animal control contractor shall be responsible for the safekeeping and reasonable care of any estray within the farm animal control contractor's possession.

(b) The farm animal control contractor shall give estrays a sufficient quantity of food and water within reason, and any farm animal control contractor that abuses or neglects any estray in the farm animal control contractor's charge will forfeit the

§ 12-__.3 Expenses incurred—Appropriations.

The farm animal control contractor shall bear all expenses for the capture, removal, safekeeping, and reasonable care of estrays; provided that the council may from time to time make such appropriations to assist the city in providing funding for the farm animal control contractor as its discretion and judgment are deemed necessary.

§ 12-__.4 Application for impounding.

§ 12-__.5 Annual report required.
