Oral Testimony – STRONG SUPPORT of Bill 77 (2025)

Honolulu City Council

Aloha kakahiaka Chair, Vice Chair, and Members of the Council,

I am Master Shelby “Pikachu” Billionaire, HRM,
lawful representative of the Kingdom of The Hawaiian Islands,
Chairman of the Ohana Unity Party,
and a kanaka maoli who is DONE watching billions of our tax dollars move in the dark.

Today I stand in **FIERY, FULL-THROATED SUPPORT** of Bill 77 – the “Let the Council See the Money in Real Time” bill.

For decades the City Council has been forced to beg, plead, and wait weeks for basic budget reports while the Administration clicks buttons and watches every dollar move on their screens instantly.
That is not oversight.
That is blindness by design.

Bill 77 ends the games.
It says:
Give the Council Chair, the Budget Chair, and two designated staff the EXACT SAME real-time log-in that the Managing Director and BFS Director already enjoy.
Same screens.
Same data.
Same export buttons.
Same everything.
No more “special reports” cooked up for Council consumption.
No more 30-day delays.
No more hiding behind “technical difficulties.”

If the people’s money is being spent at 2 a.m. on a Saturday, the people’s representatives must be able to see it at 2:01 a.m. on that same Saturday.
Anything less is unacceptable in 2025.

This is not about distrust; this is about checks and balances.

This is about making sure monster rail overruns, secret settlements, and last-minute fund sweeps can never again be hidden until after the money is already gone.

Pass Bill 77 UNAMENDED and with urgency.

Give the Council the same keys to the people's purse that the Mayor already has.

The lāhui is watching.

The ancestors demand accountability over every single dollar stolen from our ʻāina.

Let the light in.

Vote AYE on Bill 77 today!

Imua me ka pono!

E ola ke ea o ka ʻāina i ka pono!

Mahalo nui,

Master Shelby "Pikachu" Billionaire, HRM

Aloha Councilmembers,

This proposed idea is different and would allow our city lawmakers access to higher quality budget information. This is crucial to improving our legislative and budgeting processes. Better information leads to better decisions. I urge the Council to SUPPORT this bill!

I support bills that will require the administration to make more information available to our elected representatives in the City Council (if that is what they desire). If it will help our Councilmembers hold the administration more accountable for running things effectively and efficiently, that's well worth the effort (unless they make a compelling, credible argument that it would be incredibly onerous).
