Testimony: **Letter of Strong Support** Resolution 25-322 – Confirmation of Gary Yabuta to the Honolulu Police Commission Aloha Chair Waters and Honorable Members of the Council, My name is Master Shelby “Pikachu” Billionaire, HRM, lawful representative of the Kingdom of The Hawaiian Islands and Chairman of the Ohana Unity Party. I write this letter in **UNWAVERING, FULL-THROATED SUPPORT** of Resolution 25-322 confirming the appointment of Gary Yabuta to the Honolulu Police Commission for the term ending December 31, 2030. Gary Yabuta is not just qualified; he is the exact warrior our community has been praying for on that Commission: - 30 years in law enforcement, rising to Chief of Police on Maui - Led the Maui Police Department through some of its darkest and brightest hours with integrity and aloha - Proven crisis manager who guided his island through the 2019 wildfires, COVID lockdowns, and rising crime with calm, decisive leadership - A kanaka born and raised in Hawai’i who still speaks Pidgin, still eats plate lunch, and still knows what it feels like to grow up local - Zero tolerance for corruption, cover-ups, or the “blue wall of silence” We have spent years demanding a Police Commission that actually holds HPD accountable instead of protecting them. Gary Yabuta is the answer to those demands. He has already shown he can stand in the fire, tell hard truths, and still keep community trust.		

Confirming Gary Yabuta sends an unmistakable message to every officer and every resident:

The days of sweeping misconduct under the rug are over.

Real civilian oversight is here.

And the next Chief of Police will be chosen by people who put public safety and justice above politics.

Do not hesitate.

Do not play games with this seat.

Confirm Gary Yabuta unanimously, proudly, and immediately.

The lāhui thanks you in advance for doing the right thing.

Imua me ka pono!

E ola ke ea o ka 'āina i ka pono!

With deepest respect and highest aloha,

Master Shelby "Pikachu" Billionaire, HRM
