RESOLUTION

RELATING TO THE TRANSFER OF FUNDS.

WHEREAS, Section 2-17.2(c)(1), Revised Ordinances of Honolulu 2021 ("ROH"), requires that the City Council ("Council") approve by resolution any transfer of funds between activities whenever the cumulative amount of transfers from or to an activity totals in excess of $100,000 or 10 percent of the amount appropriated for that activity in the executive operating budget ordinance, as may be amended, whichever is less; and

WHEREAS, ROH Section 2-17.2(c)(2) requires that the Council approve by resolution any transfer of funds between characters of expenditure within the same activity whenever the cumulative amount of transfers from or to a character of expenditure exceeds the lesser of (a) $100,000, or (b) the greater of (i) 10 percent of the appropriation for either the originating or receiving character of expenditure, or (ii) $10,000; and

WHEREAS, the Department of Emergency Management (DEM) is responsible for the administration, coordination, and compliance of multiple federally funded emergency management programs, including but not limited to grants from the Federal Emergency Management Agency (FEMA) and the U.S. Department of Homeland Security (DHS), which support preparedness, mitigation, and recovery initiatives; and

WHEREAS, DEM requires additional Planner positions to provide administrative and technical capacity to support these federally funded programs by ensuring timely delivery of program objectives, maintaining compliance with federal and state grant requirements, and developing planning products that align with national preparedness frameworks; and

WHEREAS, these Planner positions will provide critical analytical, planning, and coordination support for federally funded and grant-related projects, including the after-action program, community relations planning, mass care and human services, mitigation, and hazard-specific preparedness activities; and

WHEREAS, a transfer of funds is therefore necessary to provide DEM with the resources required to fill and sustain these Planner positions, ensuring that DEM can effectively manage and implement federally supported programs; now, therefore,
