Testimony: Aloha Councilmembers, I support this resolution because it requires drivers to be updated on old and new rules of the road. At the very least, it would remind drivers of their obligation to drive safety. For those who view it as an inconvenience, perhaps they should consider using public transit or alternate form of transportation, which does not require a driver's license. This proposal is common sense and will provide an additional layer of safety for all roadway users. Mahalo, Jonathan Huynh A car owner and frequent public transit user
