Honorable Tommy Waters
Chair, City Council
City and County of Honolulu

Mr. Chair:

Your Committee on Infrastructure, Transportation & Technology, which considered Departmental Communication 94 (2026), dated February 19, 2026 ("D-94"), from the Department of Design and Construction ("DDC") regarding:

"DEDICATION DOCUMENTS CONVEYING ROADWAYS FOR PUBLIC USE IN 'EWA,"

reports as follows:

The purpose of D-94 is to request City Council ("Council") consideration of the dedication document conveying roadways for public use in 'Ewa.

D-94 attests that roadway Lots 20046 and 20047, proposed to be dedicated to the City, have been laid out, improved, and approved in conformity with Ordinance 10-20 (currently codified as Section 22-3.9, Revised Ordinances of Honolulu 2021 ("ROH")) and the subdivision regulations. Accordingly, pursuant to ROH Section 22-3.9, the roadways will be deemed accepted for dedication by the Council, without further Council action, 30 days from the receipt of D-94.

In D-94, the Director of Design and Construction reports that all improvements have been constructed, completed, and certified as meeting City requirements.
