Honorable Tommy Waters
Chair, City Council
City and County of Honolulu

Mr. Chair:

Your Committee on Infrastructure, Transportation & Technology, which considered Departmental Communication 101 (2026), dated February 19, 2026 ("D-101"), from the Department of Design and Construction ("DDC") regarding:

"DEDICATION DOCUMENTS CONVEYING ROADWAYS AND EASEMENTS FOR PUBLIC USE IN 'EWA,"

reports as follows:

The purpose of D-101 is to request City Council ("Council") consideration of the dedication documents conveying roadway Lots 20142, 20143, 20144, 20145 and 20147; drain easement 11353; sewer easement 11353; street light metering easements 11358, 11363 and 11369; and traffic signal easements 11358, 11363, 11364 and 11369 for public use in 'Ewa.

ROH Section 22-3.9(b), which provides for the deemed acceptance of streets and roadways by the Council with 30 days' notice without further Council action, does not apply to the grant of easements. Therefore, the Council is being asked to approve and accept the easements.

In D-101, the Director of Design and Construction reports that all improvements have been constructed, completed, and certified as meeting City requirements.
