Testimony:

How does this "Fire Plans Review Revolving Fund" proposed under Bill 8(2026) differ from the already existing "Fire Plans Review Revolving Fund" as codified as ROH 20-1.1, subsection 1.12.8 (9) (b) ?

Does that fund actually exist? Is this bill just some cleanup, or is this a new proposed fund?

First introduced as part of Bill 56(2015), passed into law as Ord 15-45.

"Fire Plans Review Revolving Fund" is established and created herewith as a repository for such fees. The Fire Plans Review Fee shall be ten (10) percent of the building permit fee payable to the City and County of Honolulu prior to the issuance of the building permit.

EXCEPTION: Where an automatic fire sprinkler system is elected to be installed in accordance with NFPA 13D, NFPA 13R, or NFPA 13, the Fire Plans Review Fee shall be waived."
