Honorable Tommy Waters
Chair, City Council
City and County of Honolulu

Mr. Chair:

Your Committee on Infrastructure, Transportation & Technology, which considered Departmental Communication 383(2026), dated June 3, 2026 ("D-383"), from the Department of Design and Construction ("DDC"), regarding:

"DEDICATION DOCUMENT CONVEYING EASEMENT FOR PUBLIC USE IN
'EWA,"

reports as follows:

The purpose of D-383 is to request that the City Council ("Council") approve and accept the grant document conveying Sewer Easement 11522 for public use in 'Ewa.

ROH Section 22-3.9 does not apply to the grant of aforesaid sewer easement, and therefore as to the easement, the Council is being asked to approve and accept the easement.

Through D-383, the DDC Director reports that the improvements have been constructed, completed and certified as meeting City requirements. Further, the DDC Director requests that the effective date of the approval and acceptance be the date of the recordation of the grant documents for the easement at the Bureau of Conveyances of the State of Hawai'i.

At your Committee's meeting on June 3, 2026, Aaron Sakamoto, the DDC Land Division Chief, testified in support of the communication and responded to questions from Councilmembers.
