530 South King Street, Room 202

Dear Chair Cordero and Committee Members:

SUBJECT: Testimony on Bill 41 (2026) - Relating to Transportation

The Department of Transportation Services supports Bill 41 (2026), CD1. We appreciate the Committee's work in addressing the concerns previously identified by the Department while aligning the Revised Ordinances of Honolulu with House Bill 2021, HD2, SD2, CD1, Relating to Transportation, which the Governor is scheduled to sign into law later this day.

The proposed Committee Draft provides important clarity and consistency for the regulation of electric bicycles, electric micro-mobility devices, and related transportation devices, helping to improve safety and ensuring the City's ordinances remain consistent with State law.

Thank you for the opportunity to provide testimony in support of this bill. Please contact me at (808) 768-8303 with any questions you may have.

Very truly yours,
