COUNCIL COM. 149(26)

HONOLULU CITY COUNCIL

CITY AND COUNTY OF HONOLULU

No. 26-188

RESOLUTION

PROPOSING AN AMENDMENT TO ZONING MAP NO. 23 (KAILUA-LANIKAI-KEOLU), ORDINANCE 86-124, TO REZONE LAND SITUATED AT KAILUA, O'AHU, HAWAI'I.

WHEREAS, the zoning maps and the Land Use Ordinance ("LUO") of the City and County of Honolulu ("City") establish zoning districts and zoning district regulations for the utilization of land in the City pursuant to Section 6-1514, Revised Charter of the City and County of Honolulu 1973 (Amended 2017 Edition), as amended ("Charter"); and

WHEREAS, each zoning district is designated for certain uses and restricted for other uses to encourage orderly development in accordance with adopted land use policies, including the O'ahu General Plan, and the applicable development plans or sustainable community plans, and to promote and protect the public health, safety, and welfare; and

WHEREAS, the City owns in fee simple the former Kalaheo Elementary School property, which is a 10.038-acre vacant parcel located on Iliaina Street in Kailua, O'ahu, zoned R-7.5 Residential District and P-1 Restricted Preservation District, and identified as Tax Map Key 4-4-033:018 (the "Property"); and

WHEREAS, by adoption of Resolution 24-151, CD1, the City Council ("Council") authorized conveyance of the Property (except for portions of the Property to be designated as roadways, over which the City would retain its ownership) to the State of Hawai'i Department of Hawaiian Home Lands ("DHHL") to provide native Hawaiians with homesteads; and

WHEREAS, the conveyance of the Property by the City to the DHHL was considered a gift of City real property that serves a public purpose by putting the currently vacant Property to productive use; and

WHEREAS, the DHHL was required to conduct due diligence prior to conveyance of the Property to determine the suitability of the site for proposed development, including the preparation of a Preliminary Engineering Report detailing topography, soil conditions, and other pertinent information; and

RESOLUTION

WHEREAS, by Miscellaneous Communication 318 (2026), the DHHL indicated that while the DHHL sincerely appreciates the City's efforts to assist the DHHL in providing homesteads for its native Hawaiian beneficiaries, it was determined, after careful consideration and due diligence, that the extremely expansive soil conditions at the Property make it unsuitable for homestead development; and

WHEREAS, since a determination has been made that the soil conditions at the Property are problematic for the DHHL to develop the Property with homesteads for its native Hawaiian beneficiaries, it would be problematic for the City and any developer to develop the Property with residential housing; and

WHEREAS, for this reason, it is reasonable and prudent to downzone the portion of the Property that is zoned R-7.5 Residential District to the P-2 General Preservation District and retain the zoning of the small portion of the Property that is zoned P-1 Restricted Preservation District (a portion of which is located within the State Land Use Conservation District, and a portion of which is located within the State Land Use Urban District); and

WHEREAS, the types of land uses permitted in the P-2 General Preservation District include aquaculture, crop raising, forestry, minor animal raising, minor composting, public facility, park, utilities, and nature-based recreation; and

WHEREAS, Charter Section 6-1513 provides that "[a]ny revision of or amendment to the zoning ordinances may be proposed by the council and shall be processed in the same manner as if proposed by the director [of planning and permitting]"; and

WHEREAS, the term "zoning ordinances," as used in Charter Section 6-1513, includes both amendments to the LUO and to ordinances designating particular parcels of property in terms of the LUO; and

WHEREAS, Chapter 2, Article 24, Part A, Revised Ordinances of Honolulu 2021 ("ROH"), establishes procedures and deadlines for the processing of Council proposals to revise or amend the general plan, the development plans, the zoning ordinances, and the subdivision ordinance, and clarifies the responsibility of the Director of Planning and Permitting to assist the Council in adequately preparing its proposals for processing; now, therefore,
