CITY AND COUNTY OF HONOLULU

ORDINANCE _____

BILL **32 (2026), CD2**

A BILL FOR AN ORDINANCE

RELATING TO PUBLIC PARKS, RECREATIONAL FACILITIES, AND BOTANICAL GARDENS.

BE IT ORDAINED by the People of the City and County of Honolulu:

SECTION 1. Purpose and findings. The purpose of this ordinance is to amend provisions related to public parks, recreational facilities, and botanical gardens.

The City Council ("Council") finds that costs for the maintenance of parks, beach parks, recreational facilities, and botanical gardens are increasing significantly due to various factors including aging infrastructure, vandalism, and an overall rise in the cost of supplies. The Council believes that it is important to support our parks, beach parks, recreational facilities, and botanical gardens as gathering places for our residents and communities. The Council further believes it is critical that any fees collected for the use of parks, beach parks, recreational facilities, and botanical gardens are retained by the Department of Parks and Recreation for the maintenance and upkeep of these finite and valuable resources.
