Testimony: Aloha Chair Waters and Councilmembers, I'm glad to write in support of Resolution 26-204 and the appointment of Domineque Bonifacio to the Neighborhood Commission. Domineque has always been passionate to serve his community and puts in the hard work it requires. I'm confident he will serve this commission well, and I respectfully ask the Council to approve this appointment. Mahalo, So Myung K.

Testimony: I strongly support this measure! I've had privilege of serving alongside Domineque on the Honolulu Youth Commission. He is a strong voice for the West Side and the youth of Honolulu. His commitment to ensuring all residents - especially young people - have representation in government and willingness to collaborate would be valuable on the Neighborhood Board commission.
