I am in full support. This will enable the Council to get a head start on 2027 with leadership firmly in place prior to that time. This is needed as the current council chair will no longer be a member of the council in 2027.

Aloha City Council Members,

My name is Dr. Ryan Mandado and I'm writing in strong support of this resolution. It is so great to see Councilmember Dos Santos-Tam be recommended to be the next chair of the council.

I am his constituent and I've seen the great work he has done for our community. He focus on educating the public about city services makes the public feel confident that they can access government services to enrich their lives.

A leader focuses on elevating communities. Tyler is doing a great job in making people feel they are elevated.

Mahalo,

Dr. Mandado
