**PUBLIC HEARING/ADOPTION**  
**RESOLUTION 20-231, CD1 – COMMITTEE REPORT 236**

RESOLUTION AUTHORIZING THE MAYOR OR THE MAYOR'S DESIGNEE TO ENTER  
INTO A DEVELOPMENT AGREEMENT AND AN AGREEMENT OF SALE, BETWEEN  
THE CITY AND COUNTY OF HONOLULU AND SAVIO/HAWAII HABITAT VARONA  
VILLAGE LLC, FOR THE DISPOSITION OF CITY-OWNED REAL PROPERTY  
IDENTIFIED ON THE LAND COURT MAP AS LOT 18280-B, FOR THE REVITALIZATION  
OF VARONA VILLAGE, EWA, OAHU, HAWAII.

Councilmember Menor moved that Committee Report 236 and Resolution 20-231 be adopted, as amended to CD1. Seconded by Councilmember Waters.

There was no public testimony.

In response to Councilmember Menor, Sandra Pfund, Director, Department of Land Management stated that:

- The City has worked for over a year to come up with a development agreement for the project. The Resolution is to get the Council's approval for a development agreement and an agreement of sale.
- The comment regarding a lack of communication was because of the procurement process and the inability to fully engage the community until the developer was selected.
- Savio and the Habitat for Humanity was selected and they are committed to work with the community to build a grassroots development.
- The City is proposing to do a condominium property regime (CPR) because the property is so large. If the City did a subdivision it would take many years for that process and it was decided that the CPR would be a practical way of starting the process.
- In phase one, where most of the homes are located, there is no municipal sewer lines. The homes will continue under the septic system but when phase two starts, the City will put in municipal lines and include phase one. In Fiscal Year 2021, the City Council budgeted \$2 million for improvements to Renton Road where the sewer line will be connected.
- Trash will is currently being picked up by the City and they hope to continue to provide that service to the community.
- The basic price for the lots for tenants of record will be between \$100,000 to \$200,000. In phase one, approximately 45 homes can be re-done.
- Regarding the concern that many tenants are older and may not be able to participate in the habitat for humanity development (i.e., when the owner helps to do simple things like painting), the owner can get family members to assist. This is what they call sweat equity so the community and families can participate in simple labor duties to help bring down the cost to the owner.

- This has been a very challenging development agreement and one of the most difficult ones that she has worked on. She also noted that the developer is the right fit for the community. She thanked Councilmember Menor who has been an advocate for this project along with the support of Councilmember Pine.

Councilmember Pine joined the meeting via video conference.

Councilmember Menor expressed his gratification that the project was finally happening. He stated that this historic and significant milestone would fulfill the City's commitment made 28 years ago to address the housing needs of Oahu Sugar Plantation workers who resided in Ewa Villages. Councilmember Menor noted that the revitalization of Varona Village has been a top priority of his since he became a councilmember in 2013. He thanked the Mayor and his Administration including Director Pfund and her staff for their efforts in making the project possible. Councilmember Menor asked councilmembers to join him in supporting the Resolution.

Councilmember Pine thanked Councilmember Menor for his diligence and hard work on the project. She also thanked Director Pfund, the Mayor, and Dave Rae for their help on the project. Councilmember Pine stated that she is grateful that the project is moving forward, but a little sad that some of the residents may not have a long time to live in their homes. However, they will have the satisfaction of knowing that everything they fought for will give their families an opportunity to own a home in Varona Village. She thanked everyone for working hard on the measure and stated her strong support.

Committee Report 236 and Resolution 20-231, CD1, as amended were adopted.

RESOLUTION URGING THE GOVERNOR TO IMPLEMENT IMPORTANT MEASURES TO ENSURE THE SAFE REOPENING OF HAWAII TO TRANSPACIFIC TRAVEL AND TOURISM.

Councilmember Waters moved that Resolution 20-246 be adopted. Seconded by Councilmember Fukunaga.

There was no public testimony.

Councilmember Menor stated that he recognizes the need to reopen transpacific travel and tourism because of the devastating toll that the pandemic has had on our economy; however, it needs to be done safely to prevent a resurgence of the coronavirus. He noted that there is a concern from testifiers regarding the Governor's pre-travel testing plans. Councilmember Menor stated that he introduced the measure to urge the easing of travel quarantine restrictions and the reopening of transpacific travel to Hawaii only if the State is confident that important safety requirements would be met. If the safety measures are not in place by October 15, then the State Administration should delay reopening transpacific travel until the necessary infrastructure to protect the public's health can be fully developed. Councilmember Menor asked councilmembers to support the measure.

RESOLUTION URGING THE GOVERNOR TO ADOPT A TWO OR MORE TEST SHORTENED COVID-19 QUARANTINE SYSTEM FOR TRAVELERS ARRIVING IN HAWAII.

Councilmember Waters moved that Resolution 20-253 be adopted. Seconded by Councilmember Fukunaga.

There was no public testimony.

Councilmember Manahan stated that on the Morning Show with the Lieutenant Governor, Dr. Fauci advocated for something to be done by way of a second test. He stated that we need to expand testing to keep local residents safe. Councilmember Manahan stated that since April the State has been asked to expand testing. He also noted that the Lieutenant Governor's five-point plan calls for expanding testing and urges him to do that. Councilmember Manahan voiced his strong support of the measure.

Councilmember Waters thanked all the testifiers who took the time out of their busy schedules to submit testimony in support of the Resolution. He noted that Dr. Fauci stated that if a second test is done, even if it is not an expensive test, there is going to be a dramatic reduction of infected and contagious people coming into Hawaii. Councilmember Waters is asking the Governor and the Lieutenant Governor to spend more time and effort and come up with a second test. He urged councilmembers to support the measure.
