DATE: Thursday, November 19, 2020

SUBJECT: Bill 62, Storm Water, Flood and Erosion Damage (Remediation of Private Properties)  
- **OPPOSED**

Aloha Chair Fukunaga and Councilmembers,

Thank you for allowing testimony on Bill 62, which would require the city to provide remediation measures in the case of flooding or other damages to private properties upon request.

This bill motivates private property owners to not repair their property after damages from a storm, so that the city will come in and do it at taxpayer expense.

A special fund is also tied to this bill.

I oppose this bill and ask you to vote "no."
