Message Body:
Dear City Council Members:

I strongly support Bill 85 CD2 and Bill 89 CD2 because we need strong enforcement of vacation rentals before we can permit more. We need to stop vacation rentals from taking away what little affordable housing is left in Hawaii, and the only way to do it is through strong enforcement. A key part of enforcement is holding platforms like Airbnb accountable and making sure they're transparent with their data on their hosts and listings.

Please pass a bill with strong enforcement against illegal vacation rentals to protect our affordable housing and our communities. **IMPORTANCE NOTICE**
