Written Testimony

I am writing in support of Bill 90 for permits to monster homes to expire within one year if they have not been approved; and to not allow their application to be renewed.
Monster homes are tearing apart the fabric of our community. This needs to stop. I live next to 3415 Kanaina avenue Honolulu 96815. This single family home has 10 bedrooms and 15 bathrooms. How was the permit for this single family home allowed?
By supporting Bill 90, we are taking back the land from monster homes and runaway development.
There must be laws in place to stop monster home development like 3415 Kanaina avenue.
